CONDITIONS:

Domestic and imported alcoholic beverages are included in the All-Inclusive Premium.

To find out about the specific products and brands adhered to the All-Inclusive, or any other information, please contact the hotel reception.

The All-Inclusive service ends at 12.00 noon on the day of departure.

All drinks and meals consumed outside of All-Inclusive hours must be paid for or will be charged to the customer's account for payment upon departure.

The use of an identification bracelet is essential, which is personal and non-transferable.

Drinks will only be served individually, and it will not be allowed to order more than one drink at a time and per person.

The hotel reserves the right to cancel the All-Inclusive regime in the event of detecting the misuse of said service.

The places, times and products offered in the All-Inclusive service are subject to change.

All catering services are adapted to any food intolerance of our customers, so it is only necessary to inform the reception of these requirements on arrival at the hotel. Our restoration team will take this into account and coordinate to inform you of the options you have.

Changes of towels, safe, telephone, garage, spa and treatments are not included.
